Civic Square ACT 2608

Dear Mr Young,

**PROPOSED AMENDMENTS TO THE
TRANSPORT SAFETY INVESTIGATION
REGULATIONS 2003**

The RAAA and its Members

The Regional Aviation Association of Australia (RAAA) was formed in 1980 as the Regional Airlines Association of Australia to protect, represent and promote the combined interests of its regional airline members and regional aviation throughout Australia.

The Association changed its name in July 2001 to the Regional Aviation Association of Australia and widened its charter to include a range of membership, including regional airlines, charter and aerial work operators, and the businesses that support them.

The RAAA has 27 Ordinary Members (AOC holders) and 54 Associate/Affiliate Members. The RAAA's AOC members directly employ over 5,000 Australians, many in regional areas. On an annual basis, the RAAA's AOC members jointly turnover more than \$1b, carry well in excess of 2 million passengers and move over 23 million kilograms of freight.

RAAA members operate in all States and Territories and include airlines, airports, engineering and flight training companies, finance and insurance companies and government entities. Many of RAAA's members operate successful and growing businesses providing employment and economic sustainability within regional areas.

Some examples of RAAA members' presence in regional Australia is the REX hub in Wagga Wagga, SkyWest in WA, Sharp Aviation in Hamilton, Kimberley Aviation at Broome, Airnorth, Chartair and Vincent Aviation Northern Territory networks, West Wing Aviation in Mt Isa and Skytrans operations from Cairns, to name a few.

Serving regional aviation, and through it, the people and businesses of regional Australia

Unit 11, 26-28 Winchcombe Court, Mitchell ACT 2911

RAAA Charter

The RAAA's Charter is to promote a safe and viable regional aviation industry. To meet this goal the RAAA:

- ➔ promotes the regional aviation industry and its benefits to Australian transport, tourism and the economy among government and regulatory policy makers;
- ➔ lobbies on behalf of the regional aviation industry and its members;
- ➔ contributes to government and regulatory authority policy processes and formulation to enable its members to have input into policies and decisions that may affect their businesses;
- ➔ encourages high standards of professional conduct by its members; and
- ➔ provides a forum for formal and informal professional development and information sharing.

The RAAA provides wide representation for the regional aviation industry by direct lobbying of Ministers and senior officials, through parliamentary submissions, personal contact and by ongoing, active participation in a number of consultative forums.

RAAA RESPONSE

The Regional Aviation Association of Australia (RAAA) is grateful for the opportunity to respond to these proposed amendments. The RAAA is happy to support the proposed amendments on the basis of the response the ATSB has received from one of our Members, Regional Express (Rex). Overall, the RAAA finds that the proposed amendments simplifies, clarifies and removes anomalies found in the previous regulations, but does note that the proposed amendments appear to increase the compulsory reporting requirements which may be a burden on operators with limited resources.

Paul Tyrrell
Chief Executive Officer
